I Am Going to the Library

A social story about visiting the Topsfield Town Library
At the library, I can look at books, magazines, DVDs, and music CDs.
There might be other people reading or studying, so I will use my quiet voice.
I can also try to keep a calm body and remember to walk instead of run when I am at the library.
There are computers I can use to look up a book and find out where it is.
If I have a question, I can ask one of the people working at the desk. Librarians are very helpful!
There is a bathroom for me to use at the library if I have to go potty.
In the library is a fishtank. The fish are fun to watch!
There are also toys in the children's room for me to play with. I can share them with other kids who are at the library so we can have fun together.
Sometimes, there is a librarian reading out loud in the meeting room. I can go in and listen if I want.
When I am ready, I can bring my books to the desk to check them out.
I use my library card to check them out.
Then, I will be able to take them home and read them for a couple of weeks.
When I’m done, I can bring them back so other kids can have a turn reading them.
Going to the library is fun!
I can’t wait to visit again.
